“ *My father Joseph pirl sr .... I am Joseph pirl jr and honored everyday of my life to carry his name , I've never in my life seen a true man who took care of his family and can say if one of his family or relatives needed something done or vehicle worked on he usually did it he always lend a hand to help . AND THROUGH OUT the years watching him farm even with his medical condition he still fought every day to do the stuff he lived to do and one day I hope I can be half the man he was .. he truly loved his family and would always try to be there for them in any event even other relatives he truly had a heart of gold and will be missed by family members as well as relatives....*
