“ I worked for Joe's father at Wetzel County Savings and Loan when Joe was a teenager. We would place large bets(25 cents) on primarily football games. I think I still owe him 50 cents. Joe was a very nice young man.

“ I grew up with Joe. We lived down the street from each other. We spent alot of time together. Whether it was hanging out at the putt-putt golf his family owned and the golf tournaments we had there. Or playing football or wiffle ball in the field behind his house. Joe and Jimmy Miller tried to teach me to play guitar, but that didn't work out too well.. Good times and good memories. RIP Joe, you will be missed.
