“ I'll never forget meeting Josh down by the hydro in New Martinsville when we were kids. We would run between there and the bowling alley with the music blaring. It's unbelievable that you are gone. You had a big heart and also a big smile when I'd see you around.

“ It's saddening how life can have different plans for such a soul. Gone too soon but I am happy our paths crossed. My world is a different place because of knowing such a unique Man. Thank you for putting up with me.

Jobs 1:21

And said, Naked came I out of my mother's womb, and naked shall I return thither: the Lord gave, and the Lord hath taken away; blessed be the name of the Lord.

You paid your time. ❤️
