“ Love to you Bon, Pam and families! You are in my thoughts and prayers!!

To this day... I think of Bon and her frozen Swiss Cake rolls when I pass them in the grocery store!!! :) Joyce always had them in the freezer for Bon to peel apart!! I have so many good memories of growing up in Northgate. I can still hear Joyce saying "Hi Hol" when I would show up to hang out with Bon.

Even though we can no longer see our loved ones with our eyes, we will always feel them in our hearts forever!!!

“ Pam, Bonnie and Family:

I was so sorry to learn of your mother's passing. Joyce was a very special person. I have good memories of your family, while growing up in Power. Your mother and father were great neighbors and friends. Try and find comfort in knowing your mother is in a very beautiful place with no more pain or suffering. I am sure she has been reunited with your dad and my mother.

*God Bless you all,

“ Pam and Family, I am so so sorry for your loss. I have so many great memories of your Mom and Dad from when I was young! I remember when your Dad's mom came to visit and she did the Highland Fling for us in the middle of our living room. They were both a big part of our family back in the day.. She is with your Dad now and I am sure they had a great reunion. My prayers go out to all of you. Dawn Stimmel
