“ *First I would like to thank all of the kind words of the memories of my mother she truly was one of a kind she either liked you or not and if she didn't you were the first to know from her and if you were her friend it was to the end she was true to her self regardless who was there it was take her or leave her and she didn't care way she truly had a big personality and knew no stranger she had more battles than one in a life time and kept on going I must say she was the strongest woman that I have ever known not just because she was my mother but because of how she had dealt with her life thumbs up all the way mom with a great big smile love you*

Judy I will forever remember our times together. I enjoyed our Bingo trips and games. You were a wonderful friend and confident when I needed one. I'll never forget the day I told you I was carrying your grandson.. You had a smile on face and twinkle in eye. Us rubbing each other's head for good luck. There's so many more stories I could tell. Your going to be missed. You were one of a kind. I love you. RIP my beautiful friend.
