“ *Even though he was a Grandpa by marriage, I grew up knowing him as and calling him Grandpa. We spent a great deal of time on Grandma and Grandpa's farm as kids and I especially remember getting to ride on one of his Clydesdale horses when I was only 6 or 7. Though myself or my siblings may not have been considered 'family' on his side, he was still considered family in my book. Rest in Peace Grandpa and thanks for giving me many wonderful memories.*
