“ *Metta and Bill: When I heard about Karen, I was just in shock! I couldn't believe it. Karen was such a sweet and fun-loving lady! She always had a smile on her face and never forgot to send me a card at Christmas time. If I can offer a special prayer for both of you that would take away your pain at this time, I would. But my prayer is, that you know Karen touched so many lives and that she will be greatly missed by all. Hugs for you both and I will continue to keep you in my thoughts and prayers during this very difficult time. XOXO*

“ *I am so very sorry for the loss of your sister, wife, aunt, cousin and friend. Karen was so very kind and the most thoughtful person I know. We hadn't worked with each other for a number of years, but without fail, I would receive a birthday wish from her every year. Karen had a great smile that would brighten a day. She will be missed. My thoughts and prayers are with all of you at this most sad and difficult time.*

“ I have known Karen since 1988 when I started working at WOVK and got to know follow coworker Bill Berg who worked in the same building at WWVA. We both hit it off and then I met Karen. What a fun loving, upbeat person she was. Karen then hit it off with my ex really quick. They remained best friends until her time of death. I got to know Karen more and more will Bill and myself remained close friends. She was so thoughtful....always sending cards for every holiday there was to us. birthday and other little things..bam there was a card. She was just a great person. After I got out of radio....Bill and Karen remained close and dear friends. I then got into the car business and sold them the car they still have today. I will miss the close friendship with Karen..the memories..the cards..and just the bubbly personality she showed eveyone. RIP my friend. You will live forever in my heart .Prayers for Bill and her family.

“ A beautiful, wonderful light has left our lives, but what a joyous reunion Karen is having with her mom and daddy, grandparents, and all the aunts and uncles. She was one of my oldest, dearest friends and we had many fun times together. Her opening words of "hello there!" and parting words of "love you" will be in my heart for all times. I will miss you my dear friend. Until we meet again.. Love you....

To Bill, Metta, Beth & Jon,

Words cannot express how sorry I am for your loss. Karen was one of a kind. So kind and good hearted. I was so very lucky to count her among my friends. I will so miss our weekly dinners and sharing laughs, memories and even tears with her. I know how she valued her family and even though our hearts are so very heavy at this time, I take comfort in knowing that she has been reunited with Bob and Margie and will be waiting to greet all of the rest of you with a smile on her face.

Rest in peace my dear, dear friend!

I was so shocked and heartbroken to hear of Karen's death! I heard she did well in her surgery last Tuesday and was able to return to work Monday and am so sorry I didn't take time to call her Monday. I loved her dearly and shared many happy and sad times with her - especially at church. She was one of the most wonderful and compassionate women I have ever known and I will miss her terribly! My sincere condolences go out to Bill, Metta, Jim, Beth and the rest of her family. May God Bless them and give them strength to get through the days, weeks and months ahead. Love and Prayers, Lynne Bailey
