“ Brian, Misty, Mike, Alicia and families,

My heart broke when I heard the news about your mom. I have so many happy childhood memories spending time with you all and your mom and dad at your house. So many nights spent goofing around and having fun. Even after we all grew up, I very much enjoyed checking in with your mom when I'd come home to visit, and I was proud to walk in her honor at many Races for the Cure. She was such a special woman to me, and I'm grateful for having her and all of you in my life. Please take comfort in your memories, and let me know if you need anything.
