“Karen and I went to nursing school together in 1978-80. We rode to wheeling together along with others from New Martinsville and Sistersville. We also worked together in the ER at Wetzel County Hospital. I am so sorry to hear that she has passed away. She was a good and caring nurse. My sympathy to the family. Carol Neff Maury.

“ Karen was such a kind hearted sweet loving person! She loved my brother and I like we were her own. I'll cherish all the fun times we had together. She always knew how to have fun! I remember Christmas time coming to spend the holiday with family in New Martinsville. Karen and I was in front of my Dad and brother, we were following them, we flipped a u-turn on the parkersburg toll bridge because we were singing and laughing we had missed the Marrietta exit! She always lived life to the fullest and she loved her family so much! Prayers for Lori, Holly and Tiffany ? Big hugs to you guys! You were her world?
