“ *I'm sad to learn this news. Kathy was someone I looked up to when I was on the Y team, so many years ago. She was so kind to the younger kids like me. She even wrote to me a few times after my family moved from the Valley.*

I've seen the other comments, I know she's made a positive difference in so many lives. I hope we all can take comfort in that and follow her lead.

Bless you, Kathy.

“ *Kathy was an amazing human. She had an amazing personality especially with those who were experiencing homelessness. She was fiercely compassionate and advocated for those living on the margins. I will miss her so much. I am Blessed to have known her. She talked of her beautiful daughters, beaming with pride and her son. I am heartbroken for your loss. Prayers of comfort for her children and her family.*

“ *Sending prayers and condolences for Kathy's family. Kathy was well known and loved by her fellow classmates. I met Kathy in middle school and I knew she was an exceptional person. Very caring.... she would go out of her way to help anyone. In addition, Kathy was a BEAST on the swim team...breaking her own records. She was so humble and laid back. I just cannot believe she is gone....Heartbroken😞😞😞*

“ Kathy was one of my dearest childhood friends. We grew up together, at the Mozart park. She was always so much fun. In the pool and on dry ground. So much of a joy to watch compete in the water. I'm sorry I didn't know she was ill.
Sending prayers to the family during this difficult time.
