“ Jerry, Jason and David, I'm so sorry to hear of Kathy's passing. We grew up together, best friends, the only two girls in our neighborhood. Although we lost touch over the years she still holds a special place in my heart. Remembering those times together today on her birthday.

“ Jerry,

Shocked and saddened when I found out about Kathy. Another example of why LIFE isn't always FAIR. After not seeing the both of you for decades, It was always a pleasure to run into you at your grandson's Little League games over the past 2 summers. My thoughts and sympathy go out to you and the rest of Kathy's family and many friends. She definitely made this small part of the world a better place during her "short" time here.

Kathy could make the darkest days bright for all those who had the privilege of calling her friend. We were in the JMHS band together. Funny, witty and wise beyond her years was Kathy. I so regret not keeping in touch over the years. May God give His peace and His comfort to her family. Rest easy my friend in the arms of our Savior where I hope to see you again someday.
