“ *It is with great sadness that we have learned of the passing of Kenneth. Myself, I have known him for over forty five yrs. It began in 1968 when I went to work for Consol Coal. I had worked for him on occasion and got to know him very well. He was a great foreman to work for. He always did his job and took great care of his family. He was a valuable man to our community and very well liked. He will be sadly missed by his family and friends. RIP Kenneth, you are in heaven with God now and you will be well taken care of.*

“ To the Tucker, Enix, and Doyle families, my sincere condolences for the passing of a saint. Some of my earliest memories at church are of Kenneth and Bill Toler sitting up front playing guitar. I couldn't wait to get there to hear the music. That love of the music paved the way towards my love of God and his people and my acceptance of Christ as my Lord and Savior. Throughout my teens, you were more than just fellow church goers---you were my family. I was honored to later play music beside Kenneth with the Doyles--his daughter Karen and granddaughter Kristen. I just wanted you to know how much Kenneth and the rest of the family have meant to me in both my Christian walk and my life. May the comfort and peace of the Holy Spirit be with all of you until the time we will see Kenneth again-- just over in the Gloryland.

“ My sincere condolences to you Betty and the whole family. Kenneth will be greatly missed by all who knew him. I feel so blessed to of had the privilege of growing up on Point Mountain with him and his family as well as you and your family. Nothing but good memories about Kenneth along with several funny ones thrown in for good measure. Know that my prayers for your family is that God will wrap all of you in his arms and hold you tightly as you go through this loss of a great man in your life. Kenneth left a good impression on all he met. RIP my friend.
