*I remember how talented Kenny was with auto body work and painting his cars. He made me laugh, and teased me relentlessly...Kenny and Betty were like second parents to me growing up. They always looked out for me and gave me good advise. I always felt loved and welcomed in this family. It's been a long time since I've seen Kenny and Betty, but I have always missed them and held them close in my prayers. RIP my dear friend. Love and Blessings,
