“ I'm heartbroken by your passing. You were such a big part of my life growing up, and I'll always remember visiting you and my sister in that little house in Middlebourne. I'll never forget watching you hold Derek in your arms as God took him home...it will forever stay with me.

Though we hadn't been as close in recent years, I will always cherish the good times we shared as a family. I'm grateful you are no longer in pain. Rest in peace.

“ *Keven was a wonderful person. I’m so glad we stayed in contact with each other even after I moved. We joked about the huge crush I had on him when I was young and just knew we were going to get married one day. LOL. Michelle was my best friend for years. I’m going to miss talking to Keven. He was always a good friend.* ”
