“ *tracey, i love you more than words can ever say. i miss you even more than that. i dont know how to say what i need to say i think just wrapping you up in a big hug would be best. baby it will be okay... it will. one day at a time is my best advice. he's in a better place and loved more than he could ever be now, and being watched over by the best man for the job. he's in his arms and he's holding him tight. sleep well knowing he will never hurt or want again. god has him and mason will be forever missed and forever loved but god can take care of him best and now he is. i love you baby know that if anything else. if you ever need me call anytime anyday for any reason just call. I LOVE YOU and im so so sorry baby girl. one day at a time that all you can do. i love you baby, bye hunny*
