“ To the family of Kim Nixon,
Wow , what a shock to open the paper and see this nice lady's obit there. While it's been years since I worked at UPS with her, I'll always remember how seeing her "smile" made those 4-5 hours a day go a lot easier. I'm sure she'll be missed by the many lives she touched during her "brief" time on the earth, and hopefully left knowing she made this small part of it a better place.

“ I've only known Kim for about a year but in that time I could see her zest for life. She was a devoted wife and mom and so grateful to be able to spend time with her loving family. Kim felt so blessed to have made it through her heart surgery several years back. She never took anything or anyone for granted. While I only knew this beautiful person for a short while I feel so blest to have made her acquaintance. She was a shining light in this world and I will miss her. My thoughts, prayers and deepest condolences go out to Lee and Nate. I can't imagine your pain and sense of loss. She will always be your special angel.
