“ I was very heartbroken when I came home this Saturday to find out the news of kimmie's passing. I have lived across from her and Jill, since 2007. Best neighbors anyone could ever have. What I will remember about Kim. Is how she always stopped at my fence to tell my dogs how much she loved them, and she didn't care how much they barked at her. Her smile was illuminating and her sense of humor made me laugh often. My youngest son said mom I have known Kim since I was 7 years old.... That was what kind of person she was...She always left a impression on everyone she met. God truly found his angel. She will be greatly missed by us. You will be out of sight but you will never be out of hearts and mind...

“ Surprised, shocked, and most of all saddened when I heard about Kim today. Besides the memories of her playing in the Moundsville Women's Softball League and always enjoying herself win or lose, I will always remember her cheerful hello's every time I saw her at Coaches or anywhere else through the years. My thoughts and sympathy go out to Jill and all of her friends and relatives. Kim always made the day a little brighter.
