“ Thank you Timmy for letting me, Wendy, and Bub know about your mothers death. She was always smiling, happy made ya fell good being around her and she was a good friend to all of us. It was nice when are families got together when our children were young and we always had a nice visit and when Tom and the kids came and helped Butch and us cut firewood together. She's been there for me when I needed her when I lost Butch last year. Her heart is pure. So sorry Timmy and family that I didn't get to see her before she died. I only heard Thursday that she wasn't doing to good. I heard it from Wendy. I hoped giving Bub the phone helped a little, so you two could talked about each losing one of your parents. Kay was a true friend and they are sometimes hard to find. We loved her and you all. Prayers for comfort from all of us. I'm truly truly sorry. If I can help with ANYTHING let us know. No words can make you feel better right now, we know this first hand. So I will say just this. REST IN PEACE DEAR KAY, WE LOVED YOU.
