“ *Larry Akers will be missed by all who knew him. Larry and I attended first grade in Florence and High School in Martins Ferry. We both entered the military after school along with others in our class. Larry looked like a poster model for the marines. Semper Fi! Thanks for your service Larry and a special blessing on your family and friends as they go through this difficult time. Enjoy the next part of your journey and the joyous reunion with loved ones that have crossed over. We will meet again I am sure!*
