“ *Larry was such a great person. I've known him as long as I can remember. He is one of the guys I looked up to growing up. Riding dirt bikes at Walnut Camp, worked together at the plant, he even helped us mow at my track. He still liked to talk dirt bikes with me so many years later. R.I.P. One of the good ones.*

“ *A great guy and always had a smile. The only guy I ever knew who could double clutch that old Ford and bark the tires twice between first & second gear. My sincere condolences to Roger, Gary and Terry & Sherry and all the grandchildren.*

I had the pleasure of sitting with Larry for a few Saturdays. We enjoyed talking about all the people we knew in common. We took a ride and visited one of his friends one day, and always ended up at the ice cream shop for his favorite flavor!! Prayers for all of his family.

“ *Larry was more like a brother than a brother in law to me. Sure had fun golfing together. Going to miss that sheepish smile when I would pick on him.*
