“ I am so sad to hear of Larry’s passing. He has been a neighbor of mine since I was born. Living right around the block for me always there when the snow fell and cleaning off the sidewalks for everybody. His kindness and smile will be sorely missed.

“ Dear Tonya and Family, Was sorry to hear of Larry's passing. He fought a hard fight..Larry was kind and helpful to our neighborhood and all people he knew..I remember the many times he would shovel our walks after a big snow with his plow on front of his 4 wheeler. Also, Larry would stop and visit my husband when he'd be sitting on the back porch, not in good health and make him laugh. Thank you for your kindness, Larry. You will be missed...Your neighbor, Sharon Combs

I am so sorry to hear of Larry's passing. Larry has been a very dear friend to our family since we were young children in the same neighborhood. He was always so good to my Mom and Dad, from cleaning snow off their sidewalks to taking care of the furnace every year. I pray that God will wrap his loving arms around Tonya and the family and give them comfort during this time of sorrow. I know that Larry is in heaven playing golf and telling stories that keeps all the angels laughing!!!

One of my favorite Larry stories is when he came to get a CAT yes , a cat out of the duct work in my rental. He had to dismantle part of the furnace, was down on all fours " here kitty,kitty,kitty and as he reached in the cat let out a screech and bit Larry on the hand. Not many people would've taken the time to help someone with that kind of a problem. Not only did he come right over but in Larry Hill fashion, he turned it into something hilarious . Larry was a mans man and a friend to many . RIP

“ Sorry to hear about Larry. Brings back memories of playing summer youth baseball when there were no "travel" teams. Everyone played in the neighborhood (ward) they lived in.....When we got to the Colt league, it seemed like Larry pitched every game for his team. My thoughts and sympathy go out to all of his family and friends, and his occupation alone (besides being a great guy) definitely made this small part of the world a better place.

Larry, thank you for taking care of mom and dad everytime that furnace went out. I couldn't be there to help them, but knowing that you were gave me peace of mind. And thank you for being such a good friend and golf buddy to dad - he will be crushed to learn the news. And I will miss those 'Good Morning' wakeups Larry. Rest easy buddy. Just a blink and we will all be there together again,

“ *I first met Larry while working at McNinch hardware in moundville. I was fortunate enough to get to deal with Larry, pretty much on a daily basis. I worked in all three hardware stores in the Moundville area, and Larry was a customer of mine at all three of them. I've known him for over 30 years and he always brightened up my day when he walked through the door. Larry was much more than just a customer. He was a good friend. We had a lot of things in common and I always enjoyed talking to him, I will miss him dearly . Prayers for Larry and the family.*

“ *I met Larry and Tonya while working at OVMC in the oncology office as a phlebotomist. He always identified me as the blood sucker when he entered my room and always complimented me on my skills...saying he never felt it when I took his blood. He was an easy going patient, always humble and kind. He never complained. He and Tonya would bring cookies and he would always remember to bring one for my daughter that he referred to as “cookie girl”. We became so close. We met for dinner Mexican and always had the best time. He was near and dear to my heart. We always talked about going to dinner again but never had the chance to. I will always hold a special place for him and Tonya in my heart. He will be missed.*
