“ *ANGIE, George and the extended Pozell Family....I am so sorry for the loss of your brother Larry. It appears he lived a long, fruitful life. I remember our old high school days of being in band together and walking to school. You often spoke with love and humor of your three brothers. Angie, I send my deepest condolences and prayers to all of you. May God comfort and strengthen you and the family.*
Love, Judy

“ *During my first visit to the Pozell family with my now late husband Joseph Pozell, Larry came to his mother's trailer and with a big smile and twinkle in his eye welcomed me with great warmth. That warmth was not just a one-time thing but ALWAYS when I saw him. Of course, Nellie was usually by his side and her warmth was in evidence, too. Loving couple to each other and other family members. Love to all, Ella*
