“ Larry was truly such a kind soul. He was the very first to welcome us to the neighborhood 5 years ago and NEVER failed to give me my morning jeep wave as a fellow jeeper- I'm absolutely going to miss that. The Henry family is keeping you all in our thoughts and prayers during this time.

Larry worked for me as a mechanic at the Ireland Mine for 25+ years, no finer working man in the world, We never had any contact after the mine closed in 1995 but I will always remember Larry as a hard working honorable man.
