“ I've always loved you. I believe I can call it love at first sight because you stole my heart and held a huge piece of it since we first met. You've shown me true friendship and been a light in my life during the darkest of days. I'll love you forever!

“ It seems like just yesterday she was an itty bitty little girl. She and her sisters always liked Roger's roses, this year the rose bush I add to the yard will be for her. Keeping each of you in our thoughts and prayers, and sending hugs. Janice and Roger Hall

“ The day we were making rice crispy treats, and you left the bathroom door open. I went back the hall to check on Justus, and he was inside the toilet eating a rice crispy treat. You wouldn't let me take him out until you ran to get my phone, and took a picture. You are probably still laughing about it!
Love you sister
