“ She was my bus driver in elementary school (1987-1993) and I am lucky and glad to have had the chance to meet her. Such a great and wonderful person. I wish I had found out about her passing sooner so proper respects could be given. She had the patience of a saint; while the world has lost one light, heaven truly has gained an angel.

“ Dolly was my bus driver on Fork Ridge. I remember being amazed that such a little woman could handle that big bus full of kids.

“ While I never had the pleasure of meeting Dolly, I feel as if I know her a bit through my friendship with her daughter. Linda was very devoted to her mom, and told me countless stories about her. I hadn't heard that she rode motorcycles back in the day - my kind of gal! May all the fond memories of her give comfort to her loved ones.
