“ A friend just told me she saw Ann's name in the Echo. Ann always made me feel loved and special. I have such wonderful memories of her. She was one of the nicest people I have ever known. I just repeated a story of her's a week ago. I think Johnny had asked her to go camping. She said she didn't really want to go (at that time) but didn't say no because she was afraid she wouldn't be asked again. And, she had a great time. And, we both sang horribly in church. Heaven was created for her. My love to everyone.
