“ Leon was a wonderful person and friend, I knew Leon from about 4 years of age, we lived across the street from each other for several years and went thru grade school together. My sister MaryAgnes was friends with his sister JoAnn and my brother Bob was friends with his older brothers....I remember Mr. Powell always stepped out his door and whistled loudly and all the kids went flying home....

*I know Leon will be greatly missed by his family and friends. It was a shock to me learning of his death, I live out of state and didn't hear of his illness, just his death.*

*My heartfelt symphony to his family.*

*Jo Ann Gunto Hill former classmate of MHS and Central Grade School.*

“ Leon was a life long friend to both Pete & me and it was because of him that we got together. He was dating a friend of mine and one evening while he & Pete were riding around in Pete's '49 Fez-red Ford, they picked her & I up on our way downtown, the rest is history! I actually went all though school with Leon from grade school to graduation & he was always the same nice, polite, person throughout his life. You have our sincere sympathy & we will keep him in our prayers always. Pete & Judy Mysliwec
