“ Pam,

*Very sorry about your mom. She's one of the last ones from my memory of our youth and the group of Simpson Church adults. I'm sure she enjoyed life during her time here and was proud of the adults her children became. On behalf of my deceased parents and sister along with myself, my thoughts and sympathy go out to you, your brothers and sister, and the rest of your mom's family and many friends she made during her time on this earth.*
