“ You have our deepest sympathy. Your mom was very much a part of our childhood and we have many happy memories of days at her home. She was always fun to be around and was a good friend to our family. She will be missed by a lot of people.

“ Brian, Buck, and Bridget, It is such a sad thing that your mother and grandmother has passed away. I know it is hard to say, but she is not suffering now and is in a better place. She is now with God looking down on the family. We have the entire family in our thoughts and prayers in this time of need.
