“ Linda was like a sister I never had. We found each other not to long ago. It was wonderful to talk to her and hear her voice, even when she had to hang up, cause she was out of breath. I feel so bad, i wish we would have found each other sooner. Love you Linda and I will never forget our good times in the north hall of Wheeling High School. I will never forget you. Love you. No pin now. You are on the pat to the Lord.
