“ Dearest Linda, My world will be forever changed without you in it!. You have been my TRUE FRIEND, my confidant, and often my source of needed joy. For 60+ years, we have shared the good, the bad, and the upside downs that life has brought our way, BUT, we have always laughed. There will never be another you, and I will miss you greatly. Comfort comes in knowing that if I look up at the night sky, I will always find you there. Love you! Bonnie
