“ I only knew Linda as an acquaintance but she was such a wonderful, loving, funny person. She fought a hard battle and always had hope. She was stronger than most of us will ever be and she deserves to be an angel. She will be missed and my prayers go out to her family who are also wonderful people. Keep smiling Linda we know where u are.

“ I first met Linda eight years ago while working at Wal-Mart. If you were having a bad day and you sit down beside Linda in the breakroom, your day was about to change! She put a smile on everyones face with her stories and her funny sense of humor. Never a dull moment with Linda! I would read some of her post on FB and literally laugh out loud! Linda will be greatly missed by all of us. My deepest condolences go out to her family and friends. May God comfort you all while mourning the loss of this wonderful person!! RIP my friend!

“ Linda and Jerry, so sorry to hear about Linda's passing. I loved talking to her on Facebook, she always made me laugh just when I needed it. She fought so hard, and gave her all for everyone. You both cared for her in the best way possible, you were always there. I picture her now with her Grandma and Pap Elza, her beloved furbabies and flying with the angels. My love and prayers to the family now to get through the tough times.

“ *Mr. & Mrs. Blake,*

So very sorry to hear of the loss of your daughter. She was an inspiration to all of us. Always upbeat when I saw her...funny and loved to laugh. We would start gossiping and lose all track of time and just giggle about it. She fought a long, hard battle for most of her life. She will be missed but never forgotten. Stay strong....you both took such good care of her and were always there for her. She knew that and loved you both deeply.

Fondly,

“ *I would like to offer my deepest sympathy to Linda's family and friends. Linda always had a smile on her face no matter how she felt or what kind of day she was having. She was always pleasant and never complained about anything. I hope you find comfort in knowing she isn't suffering anymore and is at peace. She will be sadly missed by all who knew her.*
