“ Today was a very difficult day, for all of us girls. Thank you, so much, to all of our friends, family, and loved ones that have shown their support during this very difficult time in our lives. Our Mama is finally at peace, and resting safely in God's arms. She can smile because she is with her husband, the man she loved more than anything in life, and her brothers and sister, and parents. We have lost many of our family, and it has been difficult, but, nothing is worse, to a child, than to lose their parents. She was a treasure, here, on earth. Its a blessing to see how many lives she has touched. God Speed to our Mother, and may she rest in peace, forever, in the house of The Lord.
