“ I worked with Lisa at Ornet for many years. I so sad to hear this. Always had good times with her 😭

“ Back in the day Lisa and I had a lot of good times. We were very bad and drove our parents crazy. After high school we both worked at Ornet together until Lisa got her job at PPG. We did get together one last time after 30 yrs to reminisce. She was one of the hardest workers I knew!!! 😭

“ So sad of Lisa's passing. We shared a few good times back in the day. I had asked her 33 years ago what I needed to do at an interview to get hired at PPG, and she said "just be honest". I was and I was hired. She loved to laugh and loved having fun. God Bless her.

“ Our deepest sympathy for the Frasnelly family. We are so sorry for your loss. Please know that you are in our thoughts and prayers. PePe and I are remembering all the good times he had staying at the Frasnelly home back when things were so much easier and a friend could spend time with each other. Lisa and Pepe were good friends and even though he hadn't seen her in years, he is saddened by her passing.

Sincerely,

“ So sad to hear of Lisa passing. Thoughts and prayers to the family

“ It was because of Lisa that I went on my first real vacation out of the country. She, I and another girl went to Cozumel Mexico in the early 90's. I can honestly say I have never laughed so much in any 5 day period since. Wherever we went people were sad to see us go because Lisa had a way of telling a story that was uniquely hers and totally hilarious. She had the best smile and I was happy to call her friend. She will be missed by many at the plant and I am so sorry her time with us was cut short. You all have my most sincere sympathies, Kate Hrovatich
