“ I'm so sorry for your loss 🙏 for peace and comfort! I remember one time when our family was visiting Uncle William and Aunt Betty, Lisa was a very young and little girl. We sat on the porch and talked, laugh and played. I know we haven't kept touch like we should have but I'm still going to miss her, best thing to happen is when Facebook came out and we all started finding each other. Until we meet again Lisa fly high on that mountain. Give everyone our love and kisses 😘.
