“ Sending my condolences to the Williams family. It has been years since we have seen each other . Her mom, Vada and I would sit in the kitchen and talk when I was in grade school . I would return pop bottles for deposit \$\$. somehow she always had time for me..they were a very busy family and here comes this little kid wanting to visit in her kitchen..lol... Lois Mae was always sweet to me too.

“ Many fond memories of Lois from the days when Chris and Bryan, Michael and Jeremy were in high school. She and Calvin opened their home to the boys and made them feel like part of the family. Be at peace dear lady.

“ *To: Calvin & Family, Please accept our most sincere sympathy, in the passing of your loved one and our dear Friend. We have so many fond memories of meeting up with you (even on accident). Julie, will especially cherish her times with Lois, helping her select her front porch ferns or just in their many phones conversations. She was a good listener too. Peace, be with each of you !!!
