“ Mrs. Hunter was such a classy lady and sweet caring person. She was my data processing and computer programming instructor at the Career Center in the mid 1980s. She led and mentored us and was a wonderful example to us all. May her memory continue to be a blessing.

“ Wow, what a lady!!!!!! Lola or Pokey, was a wonderful teacher, and woman. She was always fantastic to be around, even when you were not paying attention. She would help you learn, and bring out the best in you.

*I know I caused her stress and anger at times, but I knew she was there for me, and my education.*

*I always enjoyed my time in her class, and remember her as simply a fantastic teacher who wanted to make life better for you.*

*Thank you Lola, for a wonderful time and adventure. We last saw each other during our thirty year reunion, for the class of 1975. We invited several teachers and they enjoyed being with us. GOD BLESS YOU LOLA, and Thank you for everything.*

*I know my life is better for having you in it with me.*

*My Prayers and thoughts are with the family.*

“ I remember Pokey walking her dogs near my house and asking once if I saw one that got out. She taught at MHS when I did. She was so kind.

“ I knew Pokey when she worked at MHS & at the tech center, but got to know her well when we were at the tech center . We enjoyed a lot of good times laughing, sharing stories and going through the strike. She was one of the most dedicated and hardest working teachers I've had the honor of knowing. She cared about her students and how they did. She will be missed by many; she was truly special. My deepest sympathy, Bev Cisar
