“ Dearest Phil, Roger, and Ann: I am so blessed to have been a part of your family during my school days. The love shown me by your mother was second only to that of my mother; and the life lessons shared (a.k.a. lectures received!!!) from your dad are still crystal clear in my head. I loved them and the entire Lookadoo family very much and am so happy to have reconnected with you, Ann! From the entire McGraw family, please know that we are sending our thoughts and condolences your way and are reliving so many happy memories right now! Hugs to you all... Tina, Peggy, Mike, Marge and, Ted McGraw!

“ We are so very sorry to learn of Oda's passing, but, like the Wilts, joyful for his resurrected life. And now he and Ruby are together again. They were simply the BEST neighbors (and friends) a young couple moving into their first real house could have asked for. They were truly special and we miss them both. May all of you, Roger, Phillip and Anna, and your families, find comfort in your memories and the love of your many, many friends and admirers. Our love to all of you.
