“ Donnie and I grew up together All of us from warwood had great times together whether sports, fishing, or just hanging out. As we grew up all of us kinda did our own thing whether college, working, or everyday life. I had the privilege a few years ago to reconnect with Donnie. He got in my fantasy football league. We grabbed lunch when I headed to wheeling to visit family. If we didn't talk for awhile one of us always ended up reaching out to see how things were going. I will miss that friendship and the great times I had with him.

“ This breaks my heart. Growing up and playing sports together was great times but one of the biggest things was whenever I'd see him as adults we would talk like time didn't go by. Sending love to all of you

“ I'm so sorry to here this. No parent should have to bury a child. It's been 11 yrs for us . I will never forget when my boys were little I would come come from and Donnie would be there helping there with their homework.

“ Great times we had growing up, Warwood Basketball and Football and just the basic Warwood shenanigans. As we grew older, we may not of kept in touch as much, but Don always answered and helped when his knowledge was needed.
I sure will miss ya Don.
Thinking of the family and pray for healing.
