“ *So many memories of growing up and spending time with this entire
family. Losing your parents is something everyone goes thru, but
one of the hardest parts of life. This entire family was full of love and
joy and shared this with all who entered their lives. I
remember Lucille as always being very happy and kind every time I
visited their home. May peace and love fill all of your hearts during
this difficult time.*

“ *We are sending our love and condolences to my dear friend Cindy, Sheila and the remainder of Mrs. Potts family. You did a wonderful job caring for your mother and treating her to outings at your homes. Not many nursing home patients get to sit by the pool or attend birthday parties, Thanksgiving or Christmas dinners at their families homes. You did everything to make your mother feel comfortable, safe, and loved.*

*With love and sympathy,
Joe and Cindy Lyle*

“ Dear family of Lucille,
We are sorry to hear of the passing of your Mother and Grandmother. Lucille, as well as your Dad, Bill, as members of the Historical Society have been such a support in the past. I can remember needing to know some Ohio River, Duffy, or other history answers, and was always thrilled to get to visit with them on the phone to get the needed information. Our thoughts and prayers are with you all as you morn and then commit to memory all the wonderful times spent with your Mom. Sincerely, The Board of Trustees of The Monroe County Historical Society
