“ I have so many wonderful memories of this amazing woman. It is now 18 years later and I am still so thankful for her unwavering support she gave me. She was the most giving person I knew with a ferocity that would have you thinking twice about messing with someone she loved. She loved her family only second to God of the Bible. She is dearly missed by all those that knew her. I pray we will be reunited in heaven with all our loved ones, once our time here is up.
