“ You know I don't have a lot of pictures of my little brother and Itogether, but that doesn't mean as much to me as the first time he met Krystyna and was so welcoming of her to the family and when the big girls were there for spring break and they actually out ate him when he was trying to be a great uncle and take them out to dinner! Always asked "where the heck they putting all that?" Threw axes with them and took us out on the 4 wheelers. We didn't get to see each other much, but when we did come to town he ALWAYS made sure that he came to see us all!! And for that I will always be grateful and thankful of his big heart! Love ya little brother and you will be missed! Love Ken, Krystyna and the girls (Alicja, Adrianna, Rosie and Lucy) & Gma Teresa!
