“ I had the priviledge of teaching with Peg at Glen Dale Elmentary. What a wonderful teacher, lady and friend. She always had a smile on her face ... and a little twinkle in her eye making you wonder what she was really thinking. She loved you kids to the moon and back. I remember how proud she was of Stuart and his teaching in Florida ... and Margy .. I remember riding you to JM with your biology frog ... and Theresa's adventures . And I do remember the delicious pies! I know her next journey will be filled with many more great memories! She was one special lady! Soar high, Peg!

“ So sorry for your loss. I remember Peggy from our family reunions. She was always really nice. I also remember going to visit with Daddy, either her Mother or Step Mother as well as cousins that lived in the Kissimmee area. We had a good time. It has taken 50 years and I still don't understand all the family connections. The Bill McDonald family has you all in their thoughts and prayers and I am sure he and his brothers are welcoming her with open arms in Heaven!!!

“ Aunt Peg was always my favorite Aunt. She was kind, gentle and always fun to be around. Her brother, my father, loved to tease her and she would get so upset with him! Of course this became a lifelong ritual every time they were together! Aunt Peg was a perfectionist and was always perfectly 'put together' from her hair, her makeup to her outfits. I will miss her so much. Who will my father tease now?!
