“ I'm not use to calling her Marianne she was Cuz, my family, my friend, my rock. The one person I always knew I could turn to when I needed anything. Her sence of humor you had to love she could really pull off some good pranks and never let you forget them. Like locking me in the dark bathroom in the basement no lights, she liked that one so much she had to pull it on me and my 2 year old daughter all those years later. Only time she ever got to meet my daughter. Cuz I will miss you every single day till we meet again. I love you.
