“ Dear Meberg family, once in a lifetime someone leaves an everlasting impression and that someone was Mark Meberg. I met Mark when he came to Marshall County years ago and immediately knew he was something special. He was forever kind and showed a loyalty to all his family and friends. Rest in peace my friend. “ Mark and I shared the trials of being 1st born in our families so our parents experimented with different parenting theories. Our fathers were farmers and brothers so sometimes tempers became evident as we got older. As children (before we started helping on the farm) we played like brothers that lived apart. After Mark came back from Phillip Exeter, we didn't see much of each other as we were tasked like the hired help so we rarely saw each other during the day and I graduated from WCAS 2 years before he did, I think, then we went our separate ways. Mark went East and I went West. We didn't see each other until we came back to Park River for a family reunion.

*I wish that we could have spent more time together as adults. I could have learned a thing or two from him.*

“ Mark's family,

*So thankful I was able to be with you prior to your husband/ father/grandfather's passing. I learned much from him and loved him because he is my brother, so thankful for our relationship. I will miss him.*

*Praying God's loving presence, comfort, guidance, power and peace be with you as adjusting to life without him. Blessed be his memory.*

*Hugs and love, Laura*
