“ I just wanted to say how sorry I am to hear of Martha's passing. I found out to late to express my condolences in person. I have fond memories of living next to you. I remember what a hard worker Hugh was and how he all ways took time to buy thing from me when I was in boy scouts and to talk to me. I remember Martha being such a kind person taking care of my Mother when she was ill and working so hard around her yard. I really feel they and Jane and Patty helped shape me for the future. Thank you for being such great people.
