“ TO my family - Marty, Carlene, John, Kalyn, Dolf, Dillon and all the rest - I wish I could be there with you for the services honoring your father, husband and g'father. As you all know, we don't control the circumstances thrown at us. If it was at all possible, I'd be standing by your side right now. But know that I am with you in spirit and prayer. My thoughts are constantly with you all during this sorrowful time. Take care of each other while you are all together and I have you covered from the other side of the mountains. Lots of hugs and love are waiting for you here. Much love.... Debbie
