“ Sending my love and prayers to the Wolfe family. Have know Peggy and Marvin many years, as I grew up in Mt. Olivet. Had the pleasure of visiting them at the Country Club Rehabilitation Center before COVID hit. He was such a joy to talk to and loved the Mt. Olivet Fire Department. RIP, friend.

“ Our condolences to the Wolfe family. I've known Marvin since the 1973-1974 time frame and he has always been an honorable man. We have done several things together over the years, most notably our time at Mt Olivet VFD. During his time as Fire Chief, he brought the VFD out of the stone ages into the modern era of fire fighting. RIP Marvin, thanks for the guidance over the years. David and Sandy Hall

“ So sorry to hear this. Great friend and neighbor for the many years we lived near each other in Mt Olivet. Our families made many memories together when our children were all growing up together, fire department runs, carnivals and fish fries.

We've been away for a lot of years and tried to keep in touch for many of them, but the memories will always remain.

He will be missed by many of us. Peggy, Kathy and Ken; you have our sympathy and prayers.

Take care,
Elmer and Helen

Sorry to hear of the passing of Marvin. He was a great friend to me at Wheeling Steel thru our days at Wheeling-Pittsburgh Steel. I remember if it was yesterday when I started at Wheeling Steel, back in 1965 and he was my mentor for my first days. We remain -ed friends throughout the years at WPSC. He touched so many lives during his career and he will be missed. Chuck Reinacher
