“ To Holly and Family: I am so sorry I will not be able to be with you because I am out of town. I was so shocked to hear of Mary's death. She is truly one of the sweetest people I know and she was always so good to all of us at work. My heart breaks when I think of her not being here with us any more but my heart rejoices knowing that she is now free of any pain and heartaches she may have experienced. I love all of you and will hopefully get to spend some time with you soon. You have my sincere Condolences.
