“ I will miss you so much, Mary. It's funny to think we are from the same area, & know so many people in common, yet we never met face to face. That doesn't change how dear you are to me, and how much I appreciate your friendship. You touched and educated so many with your online presence. Your intellect & critical thinking were a true joy to witness, and you reached many. You provided such a source of strength & wisdom, and much needed comic relief. Thank you for all you did as a woman, and a mother, and just a kind soul. I'll hold you in my heart. I wish you a glorious afterlife. I'll be taking you with me to the voting booth this year. Thanks for being a friend. My heart breaks for Tim and your family. Look over them and help them heal from this tragic loss.
